

## Media Consent Form

Dear

As you are aware, there is an enormous range of activities on offer for your son(s) at Camp Hill. We like to record many of these events such as the school play, Sports Day or Junior Presentation Evening, so that we can celebrate these exciting occasions. The resulting images are used in our school prospectus, the end of term newsletter, other printed publications such as the Chronicle, on our school website, in the e-newsletter or e-Chronicle, on the school plasma screen or on display boards around the school. We also make video or webcam recordings for school occasions.

Occasionally, we may be visited by the media. They might want to photograph or film a significant event, or celebrate a particular achievement eg examination success in the summer. These photographs and films will invariably feature pupils from Camp Hill School and they might appear in the local or national press, or feature on local or national television.

To protect your child's interests and to comply with the Data Protection Act, we are asking you to respond to the questions below. This is a Parental Consent Form which will allow us to celebrate success with your explicit support. Current advice suggests that we must obtain parental consent before any photographs or videos of a pupil are taken where these are likely to be used in a publication or displayed by the school in a public place.

**Please tick box to confirm your permission for us to:**

Use your child's photograph in the school prospectus, similar publications and on the plasma screen and display boards around the school

use your son's image on the school website or e-communications

record your son's image on a video for school purposes

allow your son to appear in the media to celebrate an achievement or event

Conditions of use:

- your permission is valid for the length of time your son is at the school or until the particular project ends, whichever is the longer
- we will not publish or disclose personal details such as e-mail addresses or telephone numbers
