

KING EDWARD VI CAMP HILL SCHOOL FOR BOYS

KS4 Supercurricular GERMAN

Listening and Reading

- Coffee Break German Podcasts
- <https://www.dw.com/en/learn-german/s-2469> (Great website to learn about news items and items of cultural interest)
- <https://www.arte.tv/de/> (watch TV in German)
- *Sommerhaus später* by Judith Hermann (short stories) ,
- *Am kürzeren Ende der Sonnenallee* by Thomas Brussig (about the GDR)
- *Soloalbum* by Benjamin von Stuckrad-Barre (a German version of High Fidelity).

TIP: Reading on your Kindle or on your phone can make things easier, as you can highlight words and instantly look them up if needed. Even though I wouldn't recommend looking up every single word.

- Short Stories in German (for beginners) by Olly Richards and Alex Rawlings
- Short Stories in German (Intermediate) by Olly Richards
- German Short Stories for Beginners by Lingo Mastery
- Intermediate German Short Stories by Lingo Mastery

Tip: The MFL department have these four books. Ask Mrs Wells in room 9 to borrow them.
